

The Thomas and Donna Walker Grant

A grant has been created by Thomas and Donna Walker. Tom and Donna have enjoyed helping youth throughout their lives. They believe, with a little encouragement, these young people will be able to “step-up” to the next chapter in their lives.

This grant is to be used as a motivator for young adults to improve their lives through more schooling beyond high school. Those applying for this grant must believe in themselves, understanding that they have the potential to achieve their goals - both personal and academic.
